# What's on at JFOM?

## Start your engines!

Get ready for the inaugural **Joondalup Festival of Motoring**, this 28-30 October 2022. Joondalup City Centre will host 1,000+ vehicles across the weekend for this free, multi-day event.

There is plenty of family-friendly fun and entertainment to delight everyone, including art, photography, music, movies, cuisine, competitions and local business activations.

## Day One – Friday 28 October

**Motoring Movies**, Grand Cinema Joondalup: A selection of high-octane favourites including Days of Thunder, Ford versus Ferrari and the original Italian Job.

**Powerplay** (electric Go Carts): Hosting our first ever Corporate Challenge.

## Day Two – Saturday 29 October

**Autokhana**, ECU Car Park 20: Autokhana is a great, low speed introduction to motorsport. There will be a “Come and Try” morning session for beginners, and regular participants will take to the course in the afternoon.

**Coffee & Cars**, Boas Ave Car Park: Join us for Coffee & Cars in the afternoon, with approximately 500 vehicles on show.

**Cocktails & Cars**, Central Park: Coffee gets swapped for cocktails! There will be plenty of cuisine and beverage options, plus light entertainment, surrounding a high-end and rare vehicle display.

## Day Three – Sunday 30 October

**Joondalup Sprint**, Joondalup City Centre: A variety of road closures will form the 2.4km race track. On track vehicles will be an exciting blur of colour and sound as they compete to set the fastest time.

**The Automotive World**: Why not join us at one of the five regionally-themed precincts to display YOUR motoring marvel, no passport necessary. Take in every gleaming detail of the marvellous machines exhibited.

**Cars & Cocktails**, Central Park: Family-friendly fun continues until 4.30pm.

Please note that road closures will be in place over the event, so keep up to date with the latest event info by visiting [www.jfom.com.au](http://www.jfom.com.au)
